To whom it may concern –

Years ago when interest rates were at their lowest point in 40 years, I called Jordan Graham to help me refinance my mortgage. He arranged a 5.17% 30 year fixed rate loan – one of the lowest I've ever heard of. I smile each month when I write out the check for my mortgage payment thinking back to how Jordan worked diligently to get me this amazing rate.

As a Brokerage owner and a real estate agent, I can appreciate Jordan's professionalism and customer service. Since my own refinance, I've referred others to him and have only gotten positive feedback on the service he has given them.

I give Jordan Graham my highest recommendation.

Sincerely,
